# QUARTERLY COMPLIANCE AND ENFORCEMENT SUMMARY

July 1, 2009 to September 30, 2009

**The 3rd Quarterly Compliance and Enforcement Summary for 2009 outlines 3 Orders, 55 Administrative Sanctions, 796 Tickets and 5 Court Convictions for a combined total of over $144,090 in fines.**

Notable highlights this Quarter:

Ministry of Environment compliance staff issued 52 violation tickets under the *Wildfire Act* to address contraventions during summer campfire bans, and 48 violation tickets under the *Liquor Control Act* for possessing open liquor in a vehicle. These are important public safety issues related to the protection of our natural resources and road safety in the back country. These types of infractions are encountered during the ordinary course of duty for Conservation Officers and exemplify an efficient use of government law enforcement resources working in the public interest.

The Ministry of Environment held two administrative hearings to deal with allegations of misconduct by Guide Outfitting operations. Under section 61 of the *Wildlife Act*, a Regional Manager may hold a quasi-judicial hearing to consider licensing actions in response to the conduct of a Guide Outfitter, Guide Angler or Trapper. Through their licence, Guide Outfitters are representatives of the Crown in British Columbia. As such, they need to be held to a high standard of conduct and must always operate within the law. Guide Outfitters must also be aware of and monitor the actions of their employees and clients to ensure that they are also operating within the law. See page 6 for the results of these administrative hearings.

## Licence cancellations against commercial operators (s. 61 Wildlife Act)

BRITISH COLUMBIA The Best Place on Earth | Ministry of Environment

| ISSUED TO | LOCATION | ACT | REG. | SECTION | PENALTY | DESCRIPTION |
|---|---|---|---|---|---|---|
| Horvath, John d.b.a. Triple H Outfitters | Kootenays | *Wildlife Act* | | 61 | 6.5 year ineligibility to hold a Guide Outfitter or Assistant Guide Outfitter licence | An administrative hearing was called by the Regional Manager based on a number of illegal activities that took place at the Triple H Outfitters. In rendering his decision, the Regional Manager considered that Mr. Horvath had been charged with 17 counts of failing to submit guide declaration reports, 5 counts of failing to pay guide royalties, 1 count of angling without a licence. Two assistant guides at Triple H Outfitters were also charged for failing to report the killing of a 5 point elk and illegally harvesting a bighorn sheep ram with less than full curl. |
| Ramousch, Marika d.b.a. Rocky Mountain Adventures | Prince George | *Wildlife Act* | | 61 | 3 month ineligibility for a Guide Outfitter Licence (during the spring bear hunt), and must successfully retake Guide Outfitter exam. Must also submit to the ministry an operating plan that includes a guidebook for assistant guides and clients to better understand the regulations. | Based on allegations currently before the Courts, an administrative hearing was called by the Regional Manager to consider Marika Ramousch's guiding activities. The allegations before the Courts concerned the shooting of two mountain goats within her guiding area and some subsequent related illegal activities. Most of the offences were a direct result of the actions taken by Mrs. Ramousch's Assistant Guides and clients, however that does not excuse the Guide Outfitter as she has a responsibility to ensure her employees and clients are operating within the law. |
